## Our services

### Advertising & positioning service

Our company specializes in the design of advertising & media services, which could increase the visibility and positioning of your small business.

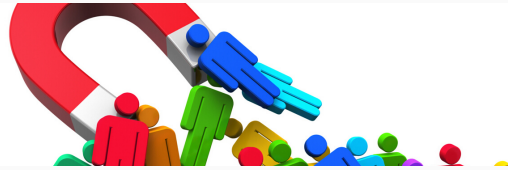

### Web Design

We interact with our clients in order to create a web design tailored to their business. After the launch, we'll keep your site updated anytime.

### Bookkeeping service

We provide several services regarding bookkeeping operations that will help keep financial records updated.

### Patient Recruitment

We can create patient recruitment campaigns for companies specialized in clinical research studies that will help them to launch their studies.

Let us help you accomplish your company's goals.

## Learn More

### About us

PlusOne Bookkeeping & Media Services, LLC was created with the aim of joining small business owners to help them with their accounting operation books and also providing advertising services to grow visibility.

### Our Approach

Make sure to feature your small business in attractive, simple and modern ways. Provide several accounting tools to keep the financial status of your enterprise updated and in a control environment.

### Our Clients

As the company name suggests, PlusOne Bookkeeping & Media Services, wants to create a union with you, the business owner, helping simplify the way you operate on your terms, so you can continue accomplishing what matters most: focusing on growing your enterprise.
